## izzyA's Eat Dessert First Donation Policy

We understand that schools, clubs, communities, athletic organizations, etc. are always looking for different ways to raise extra money. We pride ourselves on giving back to the community by encouraging everyone to Eat Dessert First!

Let us make your next fundraising event fun, easy, and profitable! Here are two ways in which we can help:

1. Book our **izzyA's Frozen Custard Truck** at your next event, and **we will donate 10% of total sales right back to your organization!** Fill out the **Fundraiser Request Form** found at the bottom of this page and let us know the time, location and the estimated number of guests you will have and we'll do the rest. We will promote your event on our end and we ask that you help promote the event on your end by using flyers, emails, social media, word of mouth, etc. Bring out the community and Eat Dessert First!

2. Have our **izzyA's Truck** parked at your location on a regular basis (weekly, biweekly, monthly, etc.), and we will also donate 10% of total sales to your organization. **This option is ideal for local schools, churches and various youth clubs!**

**The following are a few nonprofit groups that will qualify for our fundraising program:**

- Schools
- Churches
- Sports Booster
- Youth Groups
- Little Leagues
- PTA / PTO/Parents Clubs
- Boy Scouts / Girl Scouts
- Corporate sponsored charities
- Religious Organizations
- Nonprofit groups that need to raise funds

***Disclaimer: Due to costs of bringing our truck out on the road, should a fundraiser event yield poor attendance and low sales, a forfeiture of any funds raised may occur if total sales are less than \$500.***
